The Evening Post.

WILMINGTON, N. C.

Wednesday. August 27th, 1873.

The Tax Payers' Meeting.

A tax payers' meeting was held at South Washington last week, a report of which, signed by the Secretary, appears in Tuesday's issue of the *Star*. It seems there was a resolution adopted, that "the proceedings be sent to the Wilmington papers for publication," but we have not received ours as yet, and as we did not see it in the *Journal*, we presume we are expected to copy it from the *Star*. Though the POST is the only paper published on Monday, the report was not made public until Tuesday, and then in but one of the three dailies.

The attack seems to be aimed principally at the County Commissioners, but many loose and rather careless statements were made. For instance, Dr. Satchwell, who is one of our personal friends, stated, according to this official report, that "the books of our County officials were in a terribly loose condition." This statement is broad and sweeping, and affects every official in the County, and is unjust in a high degree. The Doctor has no means of knowing whether the books of the County officials are well kept or not. The Sheriff's and the Clerk's books are inspected often, and we believe them to be well and carefully kept. We do not believe the Doctor intended to make so sweeping a charge, and we defy him to show any looseness in the records of the Sheriff, Treasurer or Clerk. Such sweeping charges should not be made, except upon due reflection.

We are informed in this official report that

Capt. J. M. Wise next took the floor and spoke at length, sympathizing with the people. As an honest Republican, he could see the great mistake in putting such men in office, and appealed to all, white and colored, to look well to their acts now.

We were not aware that Capt. Wise claimed to be a Republican. He has acted with a little squad, who styled themselves Liberal Republicans, and we think voted for Horace Greeley.—Capt. Wise mourns over the mistake of putting such men in office. Now let us see who our Commissioners are, that our readers may learn what a terrible set of men are at the head of County affairs. They are as follows: Silas N. Martin, chairman, James H. Chadbourn, A. H. Morris, L. E. Rice, and Delaware Nixon. For the benefit of those who are not acquainted with these gentlemen, we will say that every one is a large owner of real estate in this county, and a majority of them are worth over $30,000 each; at least four of them own plantations in operation this year; every one of them a large tax payer; two of them came from the North over twenty years ago, and have lived here ever since; one is from the North, and has done more to place fine houses in this city than any other man, and one is a colored man, a very successful planter, and worth considerable property; and every member of that board is a successful business man. We do not believe that a better or more careful set of managers of county affairs could be selected in this county, or men who represent a larger amount of property, who could be induced to serve. But up jumps Captain Wise, and "sees the great mistake in putting such men in office," and we hope he feels thankful that he had nothing to do with it!

The official report further informs us that,

Mr. Brice Williams then, in a manner complimentary to one of his age, took up the State taxes. He showed that State taxes amounted to $21,000 more than they required. He opened the eyes of the people to their present condition, and appealed to them to go forward and see if there was no relief.

Now this is where we agree with Mr. Brice Williams. The State tax is larger than is needed, and the democratic legislature is responsible for it. They levied the tax and made the law under which the Commissioners acted. Had they neglected to levy the tax, they would all have been indicted at Raleigh for neglect of duty and we truly rejoice that Mr. Brice Williams "opened the eyes of the people" and that he appealed to them to "go forward." If the gentlemen comprising this meeting will open their eyes and see the demands made on them by the democratic legislature, we will see heavy republican gains in that vicinity next year.

Major Engelhard of the *Journal* made a speech, but though he showed his interest in the meeting by being present, the official proceedings went to the *Star* for publication. But this is not our affair, and we care nothing for it. We are here to defend men unjustly assailed as many of our officials are, in these proceedings. The Commissioners may have made some serious mistakes, but it is absurd to suppose that a body of men who own large property here, and have lived here for many years, would arbitrarily appraise the property of the county knowingly, when it could not possibly be of any benefit to them. Indeed they have held session after session calling the attention of the people to their meetings to adjust the tax lists wherever wrong, and they are required by law to correct the assessors work.—Assessors are required to keep a book of their assessments in their township, and send an abstract of it to the Commissioners. These abstracts have been corrected by the Commissioners as they are required to do, and consequently they only altered the abstracts and not the original papers of the assessors.

We sympathise with the people in their distress. High taxes are grievous to be borne, and additional increase in valuation of real estate, should very cautfously be made. We will favor and aid any plan whereby the burden can be equitably divided and laid upon all alike, but we don't admire the sweeping charges made by the gentlemen enginering this movement, in their anxiety to carry their points.

We are informed that the people were called upon to "come forward and pay their subscriptions which they responded to cheerfully," and that an additional committeeman was appointed in each township to "take up subscriptions." The committee from Wilmington township being Maj. Engelhard, Duncan Holmes and Anthony Howe.—The committeeman appointed for Harnett was A. H. Morris, and, we presume, that means one of the Commissioners!

In this morning's paper appears a statement signed by Messrs. Jno. C. Heyer, Patrick Murphy and John McRae, showing that at the request of Sheriff Black, they had examined his books and accounts and find that he had "paid over to the County Treasurer over $14,000; that he had on deposit for the State tax over $15,000, with a surplus of $333 73." Commenting upon this publication the *Journal* says:

We publish the above by request.—The assertion complained of did not appear in the *Journal* report of proceedings. We are happy to be able to state, from actual knowledge of the fact, that Dr. Satchwell did not make the assertion ascribed to him in reference to the books of the Sheriff. The mistake was altogether a clerical one.

Our remarks were in type before we saw the card above referred to, and we are very glad that our friend the Doctor did not make the sweeping assertions the report would lead us to believe.

In regard to Mr. Flack, we have only a few words to say. He was a clerk for the Commissioners, duly employed to make out the tax lists, and is an excellent accountant. It is his duty to carry out the instructions of the Board which employed him, and we really think he will survive the "skinning" given him by one of the speakers. As well might attacks be made upon the horse which draws the Sheriff about the county to collect the taxes!

"Small Potatoes."

Some weeks ago, Mr. Geo. L. Mabson, State Senator for this district, received a circular from the Louisville Medical College, requesting him to nominate some worthy young man to receive the benefits of that institution, gratuitously. Accompanying the circular was a blank certificate for Mr. Mabson to give to the appointee. On receipt of the papers, Mr. Mabson consulted with Dr. King, (upon whose recommendation, with two other physicians, the appointment would have been made,) and published the notice in the city papers. In to-day's POST appears an advertisement from the College, which explains itself. Whether this was merely a little game to procure advertising at cheap rates, or they were acting in good faith, we cannot tell, but it is, to our mind, a very small crawl out.

Mr. Mabson, who is a colored lawyer in this city, had no intention of recommending a colored man, but this advertisement says that they will not admit a young man, however worthy, upon his recommendation, because he is a colored man!

If we mistake not, this institution is one that sends out local notices to the press of the South, and requests their gratuitous publication, to encourage education! This whole transaction is about the most contemptible we have seen in a long time, and we can only designate it as "small potatoes, and very few in a hill."

The Raleigh *News* copies our remarks in relation to crime in this city and says that "Raleigh does not claim any merit" from the fact that some unfortunate colored women hailing from this city are arrested for infanticide in that city. That's all right bro. *News*. You can have the merit of being a good newspaper and that's something, but its sad to think of the pent up Raleigh that contracts your powers. You know your reporters were delighted to have an opportunity to report something besides what you are going to do at the State Fair, and your little town is so dull, that yesterday's *News* had half a column on dogs, wild and savage.—Come down bro. News and admit that you would like a little more of the sensational matter in your hamlet.

Louisville Industrial Exposition.

The second National Industrial Exposition at Louisville opens on the second of September next. In an invitation extended to the editor of this paper we learn that the Directors of the Exposition have perfected every arrangement necessary to making the display the grandest and most varied ever seen in this country. Those who attended the Louisville Exposition last year can recall the pleasure and surprise which they felt on entering the vast building, filled with its treasures of Art, Industry, Mechanism, Handiwork and Scientific collections. We are promised this year even a greater and more attractive display. Anticipating this, no one can afford to forego the enjoyment of spending a day or more in the Louisville Exposition. Reduced rates by Railroad and River have been secured, which will enable parties to visit the Exposition at comparatively small expense. The increased Hotel accommodations and traveling facilities in Louisville, together with the natural attractions of the city will make a visit to that place in September or October both pleasant and profitable.

OTTO SCHUTZE, Observer, U. S A.

Elijah Martin, David Martin, Jimmie Anderson and Billy H. Merrick, the alleged murderers of little Willie Carter, were photographed this morning.

WANTED.—Any person having a small house to rent, say of three rooms and a kitchen, can hear of a good tenant by applying at this office. Rent not to exceed $16 per month.

NOTICE.—Several hogs and pigs have broken into my field during the past two months. This is to notify their owners to call and prove property, pay damages and take them away.

aug21-3 H. E. SCOTT.

BODY RECOVERED.—The body o Ephraim Hines who was drowned on Sunday, while bathing in Topsail Sound, was recovered yesterday noon about a quarter of a mile from where he went down.

PERSONAL.—Mr. E. G. Barker, the handsome partner of the firm of G. G. Barker & Co., will leave us to-night en route for the fisheries of New England, where he expects to "off coat" and enjoy himself hugely. We wish him a pleasant trip, and a superabundance of good luck.

Mayor's Court.

His Honor W. P. CANADAY, Mayor, presiding.

Thos. Conner, charged with violation of the tax ordinance. Judgment suspended for 10 days.

Henry Reeder, for a like charge, was continued until to-morrow.

James Record was also brought up under the same charge. Judgment was suspended for 10 days.

BUILDINGS.—We have refered upon several occasion to the many buildings going up in the city this season, and now lay before our readers a list of the same, from the official report of Officer VAN SOELAN to the Mayor. From this report it is seen that between the 10th of April and the 25th of August, there were erected 56 dwellings, 1 warehouse, 10 additions, 1 shed, 2 shops, 15 stores, 1 church, 1 stable and 1 banking house. The cost of these buildings adds $185,050 to the city's wealth.

QUICK SAILING.—We are informed that the Schr. Ben which plys between this port and New York, sailed from Masonboro Inlet and anchored inside the Western bar in 7½ hours. We always knew that the Ben was a fine craft, and that Capt. Davis, who has so long managed her with great skill, was a good commander, consequently we are not surprised to know that she has made the fastest time of any coaster that has sailed into our port for some time.

A WASTE OF FOOD.—The practice frequently indulged in by fishermen of throwing bunches of fish in the street should be put a stop to. We noticed this morning between thirty and forty bunches of large, fine-looking fish lying in the street near the "Mile Slash," on the Middle Sound road. We are informed that fishermen very often refuse to take 25 cents a bunch for their fish, and rather than take ten cents a bunch less than what they ask, the fish are carried to the woods and thrown out. Of course one cannot be compelled to sell his fish or vegetables for less than he asks, but it does seem to us that it would be far better to sell them a little under their price than throw them away.

THE TOWN CRIER.

— Mild.

— Gold is 115¼.

— River still very high.

— Delightful rain last night.

— Only four more days of summer.

— Colonel Saunders of the *Journal* has returned.

— Most of our Merchants have gone North for Fall stocks.

— Many large mercantile houses will move on the 1st of October.

— Heinsberger's improvements in the live book store are great and beneficial.

— Binford, Crow & Co. are doing an immense wholesale trade. They are live business men.

— The Great Eastern Circus will be here in October: now comes the saving of dimes to go to the show.

— The Sabbath School children of St. Mark's Church will give entertainments at the City Hall, Thursday and Friday nights. Admission only 20 cents. We hope they will have a full house.

— Some unfortunate sailors or hands, badly scarred, claiming to have been burned on the Steamer Lucy off the Florida coast on the 15th of August, were in the city to-day trying to get North. Many of our citizens aided them.

— W. P. Mabson, Esq., of Edgecombe county, brother of G. W. Mabson, is in the city. Mr. Mabson is a teacher and holds a certificate of first class examination in all the higher English branches, including surveying. His school numbers over one hundred scholars, and he is said to be a very successful teacher.

Workmen are busily engaged in repairing the wharf at the foot of Market street.

There are still some more counterfeit checks to be explained and the investigation will probable come before 'Squire Gardner.

Ku-Klux.

The Louisville *Courier-Journal* will not be accused in the South of trying to frighten the people over ku-klux, and it is only in North Carolina, we believe, that the existence of the nefarious organization in Kentucky is denied. The following dispatch is taken from the Washington *Chronicle:*

LOUISVILLE, Aug. 25.—The *Courier-Journal* publishes another letter from its special correspondent sent into the ku-klux counties to investigate the outrages. The correspondent gives a list of eighty-six outrages committed in Henry, Owen, and Franklin counties since 1870, varying from simple warnings to property holders not to employ negroes, to arsons, rapes, whippings, pillages and murders.

Governor Leslie, some weeks since, offered a reward of $500 for the apprehension of the ku-klux concerned in the murder of the negro Wilson on Knox Brown's plantation, but since that proclamation several other outrages have been committed. The outlaws laugh at attempts to secure conviction. When one is arrested he easily proves an *alibi* by other members of the gang.

The correspondent believes the whole number of organized kuklux in those three counties does not exceed one hundred, who have a regular place of meeting and plans of operation. The letter closes as follows: "one and all agree that soldiers, State and Federal, can accomplish the dispersion and utter annihilation of the kuklux in short order. Can we get them? We have furnished evidence time and again that civil law is a dead letter in this case. Why should any one doubt? I have attempted to furnish a chronological list of the kuklux villainies. That they have committed twice as many as the time and means at hand have enabled me to gather, there can be little doubt. If a dozen murders, as many rapes, several hundred attempts at murder, and whippings, beatings, and driving from their houses of thousands of our best citizens do not call for extraordinary measures, what in the name of truth and justice ever will?

"The people of Owen and Henry are earnest in their appeals. They even protest that Gov. Leslie is tardy in coming to their relief. While he has thus far done all that any officer in his place could do, still his Excellency is magnanimous enough to overlook the nervous upbraidings of men whose wives and children are at the mercy of cut-throats and outlaws, and he must institute other measures, law or no law."

The *Courier-Journal*, in a double-leaded editorial commenting on the letter, calls for prompt, decisive action to rid the State of this band of midnight assassins and banditti, who have almost complete control over the whole section of country around the State capital.—The same paper has advocated the formation of a body of armed police, to be sent into the district to remain there until the discovery and arrest of every member of the gang has been effected.

Lizzaraga, with 3,000 men, is reported marching to reinforce the Carlists force beseiging Estella, who now number 8,000. The latter were again defeated on Monday with considerable loss by the Republican forces in Estella. The Republican loss was 50.

Castella has been elected President of the Cortes. He said the troubles, difficulties and perils of the nation were increasing. The republicans, who were struggling to establish the Republic, were united, but after they had achieved victory were diverted because an ideal always exists. The present government represents a solid reality, and the opposition represents an ideal. He brilliantly traced the history of democracy, and declared that the death of the republic would be the sign of the death of liberty, and that the generation would be infamous which achieved liberty and failed to preserve it. "I am a Federalist," he said, but madness rends the Spanish nationality, while Italy and Germany are becoming more united.—He reviewed the public life of M. TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is possitively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES MCCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn., or to the undersigned.

EDITOR & PROPRIETOR.

Published every evening, except Sunday, at

Five Dollars per Annum.

The POST is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

TELEGRAPHIC,

COMMERCIAL
AND LOCAL.

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city.
Politically the POST is

UNSWERVINGLY REPUBLICAN.

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

EDUCATIONAL,
AGRICULTURAL,
MECHANICAL, or
COMMERCIAL,

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.

AS A FAMILY PAPER,
The TIMES will have no superior; it will be free from all appeals to vulgar and impure tastes, and may be safely admitted to every domestic circle.

AS A REPUBLICAN JOURNAL,
The TIMES will be devoted, as in the past, to an intelligent and firm support of the Republican Party. Its course in reference to the Tammany Ring, at a time when all the other daily papers in New York obstructed and discouraged its efforts, attests its sincerity in the cause of Reform. The TIMES stood alone in demanding Reform from 1869 to the close of 1871, and there is no sincere and honest proposal for Reform, in any branch of the Government, which will not be heartily supported by the TIMES. But it will not conspire in assisting ambitious politicians or demagogues to reach power under false pretenses. It will not encourage defection from the Republican Party, which is still the party of progress, security and national prosperity.
It will sustain, with all the force and influence at its command, the principles and policy which have rendered that party so justly famous in our history. It will advocate those measures by which the honor, the peace, and the prosperity of the nation can be best secured and promoted, and will constantly study the wants of the people rather than the wishes of the politicians.

THE NEW YORK SEMI-WEEKLY TIMES
Is published every Tuesday and Friday, and contains all the agricultural and literary matter of the Weekly edition, and a full and careful compilation of editorial and news features of the Daily.
Terms of the Semi-Weekly TIMES: One copy, one year. $3; two copies, one year, $5; ten copies, one year, $25—and one extra copy free.

We especially call the attention to the following testimonials of the Paint:

C. P. Knight, Esq.—Dear Sir: I have used Bradley's Patent Enamel Paint on my dwelling last Spring, and am much pleased with it, and it looks as well now as when first painted, and consider it a good Paint. Yours, truly,
Creswell P. O., Hartford county, Md., Feb. 6th, 1873. A. H. STRASBAUGH.

THE PLAINS, FAUQUIER CO., VA., Feb. 6th, 1873.

Mr. C. P. Knight—Sir: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks, (not constant work,) completed the house two coats. The last coat I applied thick, and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellency of material, in beauty of color, and in the fact of its being "ready mixed" that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter.
Very respectfully and truly,
S. McGILL, M. D.

TO THE PUBLIC—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and, to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and fresh as when put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers, its quickly drying properties, which saves much time in the execution of work were paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate.
WM. E. SINN,
BALTIMORE, April 25, 1873. Front Street Theatre.

CHAMBERSBURG, December 10th, 1872.

Mr. C. P. Knight—Dear Sir:—The paints we received from you have been applied to several of our own buildings and to those of our friends, and have given entire satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters to mix and furnish materials, wherein we have found the most deception.
Yours, truly,
JACOB STOUFFER & SON.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor.
Yours, Respectfully,
JOHN WETHERED.

BALTIMORE, December 27th, 1871.

C. P. Knight, Esq., Agent for Bradley's Patent Enamel Paint—Dear Sir:—The paint we purchased from you we will cheefully endorse as the best of any kind we have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss which must, we think, resist the action of all kinds of weather. This is our experience, and we can recommend it with certainty, and intend to use it on all occasions where we desire a good job of work.
Very Respectfully,
EMART & QUARTLEY, 270 W. Baltimore St.
House, Sign and Frescoe Painters.

PLEASANTVILLE, HARTFORD CO., MD.

Mr. C. P. Knight—Dear Sir:—I am very happy to inform you that your "Patent Enamel Paint" has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other.
Very Respetfully,
R. DICKEY, M. D.

Harper's Magazine.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly, proves its continued adaptation to popular desires and needs.—Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*
